

DO CATALUNTA PRESENTS VINONICS

The Spirit of Wine

BY HARIBEL CARO

You know, it's en vogue, but most of us don't know a thing about it. There's so much people bragging...

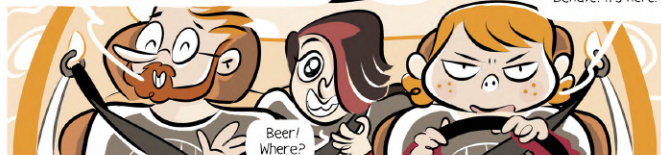

Oh, yeah, ... the aroma smells like a unicorn's horn.

I'm sure you'll love it when you're a blue-hair.
Or when you don't
have any hair at all.

Besides, we enjoy beer and sangria better than wine.

Behave! It's here.

Here they are!
The genuine team
of **ghostcatchers**,
on fire!

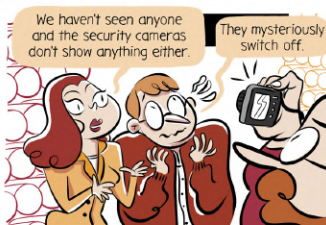

Welcome to
Can Valdemort

I'm a
total fan!

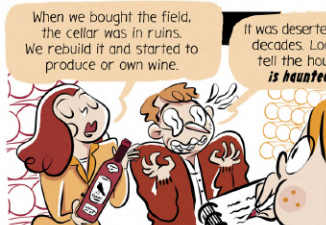

Here is where some
bottles disappear
during the night.

We also hear
unexplainable steps
in the early morning.

We haven't seen anyone
and the security cameras
don't show anything either.

They mysteriously
switch off.

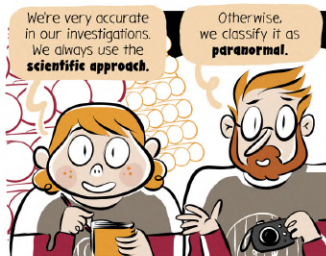

When we bought the field,
the cellar was in ruins.
We rebuild it and started to
produce or own wine.

It was deserted for
decades. Locals
tell the house
is haunted.

Those are just tales from the competence
to make us look bad! It could be a
very smart burglar or mice...

What if it's
a ghost?

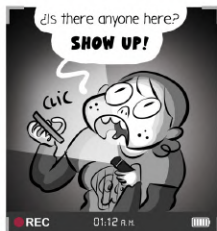

We're very accurate
in our investigations.
We always use the
scientific approach.

Otherwise,
we classify it as
paranormal.

We have a
**state-of-the-art
technology** to capture
paranormal entities.

And we'll be locked up in
the cellar the whole night
to solve the mystery!

I'm not a ghost, I'm the **spirit** of this cellar.

I worked here my whole life: growing the grapes, cropping the trees, harvesting the grapes, stepping on them...

I even learnt how to decode and shape the aromas of the wine.

All this hard work was never recognized, though. And it turned me into the **ghost** you are seen right now.

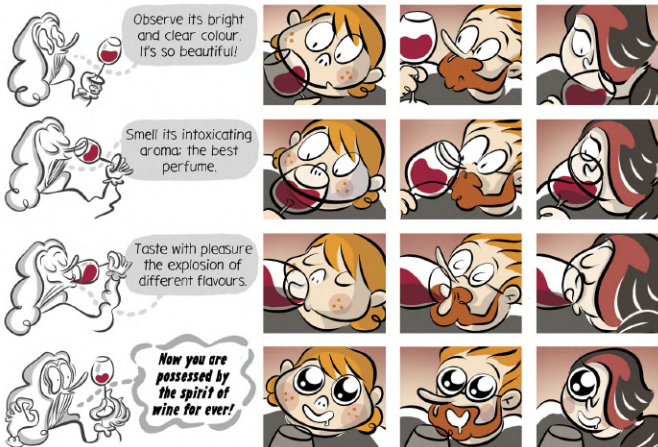

We understand your situation, but you cannot keep stealing wine, you're freaking the new winemakers out.

Oh, the aromas of the new harvest brought me back from the past and I can't stop savouring it.

But now that you're here, wine **always tastes better in company.**

There are so many undiscovered wines out there. You just piqued our curiosity. Tell us more things about wine.

Do you wanna be free? Come with us!

That's a great idea! I wanna go to cellars and to modern bars!

I want more wine!

Oh yeah! We're taking it!

Me?
A free spirit?
Going out of the cellar?
How?
