

WITHIN MINUTES I WILL DIE,
I HAVE NO WAY TO ESCAPE.

UNLESS... I COULD TRY THAT STRANGE
INVENTION BY ENGINEER DICK. WHAT
WAS THE NAME OF HIS MECHANISM?

THE QUANTUM
CROWN!

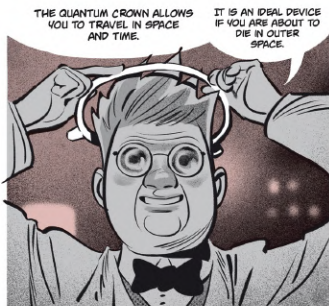

THE QUAN-
WHAT?

THERE'S NO WAY
I'M PUTTING THIS
ON MY HEAD.

I'M SURE
IT CAUSES
CANCER.

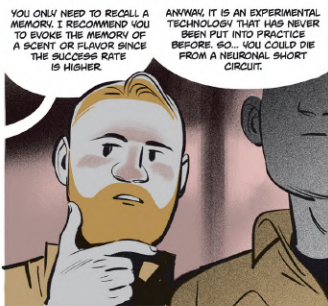

IT IS A HIGHLY
ADVANCED DEVICE, A
PARADIGM IN PARTICLE
ENGINEERING AND
NEUROSCIENCE.

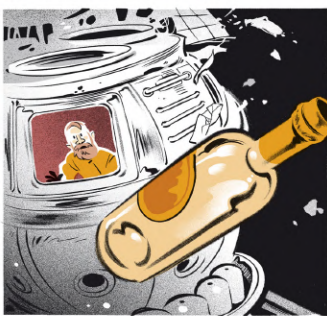

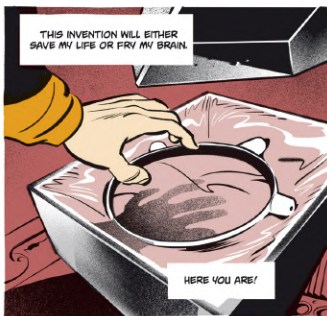

THE QUANTUM CROWN ALLOWS
YOU TO TRAVEL IN SPACE
AND TIME.

IT IS AN IDEAL DEVICE
IF YOU ARE ABOUT TO
DIE IN OUTER
SPACE.

YOU ONLY NEED TO RECALL A
MEMORY. I RECOMMEND YOU
TO EVOKE THE MEMORY OF
A SCENT OR FLAVOR SINCE
THE SUCCESS RATE
IS HIGHER.

ANYWAY, IT IS AN EXPERIMENTAL
TECHNOLOGY THAT HAS NEVER
BEEN PUT INTO PRACTICE
BEFORE. SO... YOU COULD DIE
FROM A NEURONAL SHORT
CIRCUIT.

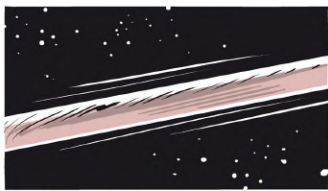

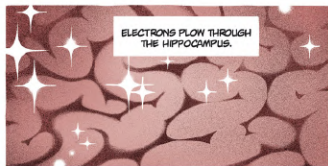

MY LUNGS WON'T
HANDLE MORE AIR.

THE WINE AND I WILL
BE FROZEN SOON.

THE END
